YOU MADE A DIFFERENCE

Can Do Multiple Sclerosis
PO Box 5860
Avon, CO 81620

Dear Lisa,

In these extraordinary times, we want to take a moment to thank you for your incredible generosity.

Your gift of \$3,673 last year helped families living with MS rediscover their passions and thrive together. Families just like Tukey's...

"MS can make everyday activities difficult. Sometimes it feels like it's taking away everything you enjoyed in life. Can Do MS teaches you that you can still do many of the things you love, just in a different way."

Because of your kindness, Tukey and her husband Dave discovered new ways to move forward... together.

Thank you for making a difference now and in the future.

Sincerely,
